

OUTDOOR EDUCATION BACKPACK

Breakout

This original, easy-to-use, utterly reliable WE canvas pack has served the outdoor education community for more than 35 years. Although the Breakout lies towards the budget end of our classic Australian canvas pack range it is the perfect entry-level and institutional-use WE pack model. It incorporates our original, efficient, zip-free back pocket, our wide-mouth throat, high-cut bag with heavy-duty draw cord closure, features frequently copied these days. Our strong, quick-change, dual-back-length system is unique and fitted to all bag sizes. It provides for teenage growth and solves the problems of best fitting a range of body sizes in any youth group. Perhaps surprisingly, the Breakout includes our sophisticated Synchro-FORM harness system. Its adaptive fit is an important advantage but so too is the possibility of simple repair. This is a perfect first backpack for young people beginning a life of outdoor adventure.

FEATURES

- » Single-compartment bag with a wide, high-cut, easy-to-load top opening and smooth-running drawcord
- » Two external pockets: top and back
- » Colour coded handles designate size
