

CLASSIC CANVAS DAYPACK

# Flash

The Flash continues the tradition of the teardrop design now renewed with clean, contemporary styling. With features like the laptop slip, quick-stash side pouches, built-in pen holsters and easy-grab handle, this is an everyday city-use daypack. What sets it apart is our continued use throughout of high-quality canvas, heavy-duty zippers and an obsessive attention to reinforcement against wear and tear. The new segmented design canvas harness panel body surface easily adapts to any body shape. With mid-twenty litre capacity this classic canvas, 'investment-for-life' daypack is the perfect solution for students, commuters, travellers and day hikers.
