

BACKPACK ACCESSORY

Pack Cover

Waterproof protection for any pack! Our unique dual toggle attachment system means you can peel back the top of the cover to access the top of your pack without completely removing the cover. Reflective logo provides added safety in low light or bad weather conditions.

FEATURES

- » Dual toggles for simple attachment and unparalleled easy of access into backpack
- » Reflective print logo of added safety
- » 100% waterproof, seam-taped
- » High quality construction
- » Convenient storage bag included
