

RAINWEAR

Raindance Overpants

These hardwearing overpants feature a 600d scuff pad around the cuff, dramatically increasing the wear resistance in South-west Tasmanian rutts. Quarter length zips make them easy to slide on over a boot, and a 25mm ladderlock allows for comfortable waist adjustment.

FEATURES

- » Full seam sealed
- » Full wrap 600 denier scuff pad around base for increased wear resistance
- » Adjustable cuffs
- » Colour coded sizing
- » Very small and very large sizes, custom colours available upon request.
