

CHILD CARRIER

WildChild

A child carrier with no limitations. Recently updated to include extra built-in pockets with more capacity, more convenient child compartment adjustments, simpler use when the sun hood fitted, and the premium Synchro-FORM Comfort-LOAD hip harness. The WE WildChild is, as it's always been, your best choice for taking kids out on multi-day bush walks.

FEATURES

- » All purpose, modular child carrier for both back-country and urban use
- » Fold flat frame design for easy stowage in vehicles
- » Fully adjustable seat and padded child restraint harness
- » Sun Hood included, optional rain cover available
- » Two built-in combination back length choices: SM and L providing an excellent fit on a wide range of wearer back lengths
- » Suitable for children up to any weight you can carry
